

**ERC Advanced Grants 2021**  
**List of Principal Investigators selected for funding from the reserve list**

Only for Principal Investigators whose Host Institutions are established in a candidate associated country:  
As described in Annex 3 of the ERC Work Programme 2021, successful applicants established in a country in the process of associating to Horizon Europe will not be treated as established in an associated country if the association agreement does not apply by the time of the signature of the grant agreement.
