

Support of the Excellence in Science Department PAS

Bogna Hryniszyn
Excellence in Science Department,
PAS

Warsaw, 28.09.2023

ERC 2024

1 549 000 000
EUR

for 915
researchers

in Starting, Consolidator and Advanced Grant

”

I hope this can inspire more bright minds to go after their scientific dreams. It's essential that we fund them, giving them the freedom to pursue their blue sky research.

ERC President Prof. Maria Leptin

So what is your
DREAM PROJECT?

Specificity of ERC grants

**one Principal
Investigator**

**all scientific
disciplines**

**frontier
research**

**one
evaluation
criterion –
scientific
excellence**

The Excellence in Science Department (BDN)

Operating within the PAS

Supporting researchers applying for the ERC grants

Free for all researchers based at Polish academic and research institutions

Workshops and trainings on ERC grants

Consultation and prescreening of the ERC grant applications

What do we offer?

Mock panel interviews for those who passed to step 2

Support for the institutions implementing ERC projects

What you can do

Step 1 Learn more about the ERC

- General info days
- Hands on practice trainings
- Q&A Sessions

What you can do
