Established by the European Commission

APPLICATION FORM

By completing and submitting this Application Form in the context of a published Job Opening, you express interest in working with the European Research Council Executive Agency (ERCEA).

The ERCEA will conduct an eligibility check and shortlist candidates on the basis of the applications submitted to EPSO by the deadline for applications. You must ensure that you have submitted and updated your EPSO CAST application.

HOW TO APPLY:

1.

Complete this Application Form electronically and in English.
A free version of Adobe Reader to complete this form can be downloaded here:
<https://www.adobe.com/acrobat/pdf-reader.html>

2.

Save the completed Application Form as follows:
'FAMILY NAME – ERCEA-CA-229-2023'.
The application can only be taken into consideration if the form is **SAVED** –
it should not be printed in pdf format nor scanned!

3.

Send the completed Application Form to:
ERC-SELECTION@ec.europa.eu
by **2 February 2024 by 12:00 (midday) Brussels time**.
In the subject of the email, please mention: 'FAMILY NAME – ERCEA-CA-229-2023'.

If the application has been submitted successfully, you will receive a confirmation e-mail within three working days. You are strongly advised not to leave the submission process to the last minute. The ERCEA cannot be held responsible for any delay due to, for example, heavy internet traffic or connection difficulties.

You are responsible for the information you provide and for ensuring that all the information is complete and correct before submitting the application.

The Data Protection Notice for this selection process may be found here:
https://erc.europa.eu/sites/default/files/document/file/Staff_Selection.pdf.

Note that you will not be able to make changes to your application after the deadline indicated above; you will however be able to retract your application.

While completing this Application Form, please do not add “-” signs or other symbols to the text or comment boxes, nor a scan of your signature or other image.
