ERC Starting Grant 2025 Members of the ERC Peer Review Panels

The list below includes the panel members in the ERC Starting Grant peer review process, identified and invited by the ERC Scientific Council. The list of panel members is published before the evaluation is concluded and may not be complete. The final list of ERC peer reviewers will be published after the conclusion of the current peer review process.

Note to applicants: This information is given for reasons of transparency. Under no circumstances should peer reviewers be contacted by applicants, potential applicants, any host institution or beneficiary. Please also note that ERC peer reviewers are bound to confidentiality during the evaluation and afterwards. Hence, they are not permitted to communicate about the evaluation and/or specific proposal(s) with the principal investigators or potential team members or persons linked to them, even after the completion of the evaluation process.
