

ERC SUPPORTING EXCELLENT LIFE SCIENCE RESEARCH BIOMICUM HELSINKI DAY HILIFE OPENING WEEK

This year the European Research Council, ERC, celebrates its 10th anniversary. As part of the HiLIFE opening week, the University of Helsinki is organising a celebration event entitled, “ERC Supporting Excellent Life Science Research”. The event acknowledges excellent research and researchers funded by the ERC in the Life Science Areas. It also aims to strengthen the participation of the University of Helsinki researchers in future ERC calls. Welcome!

Time and place: 30.10.2017, 12:00-16:15 Biomedicum Helsinki (Haartmaninkatu 8), Lecture Hall 1

Coffee served from 11:30

12:00 “Welcome”

12:15-12:40 “ERC – Supporting Excellence in Frontier Research”, Prof. Mart Saarma, former member of ERC Scientific Council, University of Helsinki
