1. Who we are:

The ERCEA is dedicated to selecting and funding the excellent ideas that have not happened yet, and the scientists that are dreaming them up.

In practice, the ERCEA supports the work of the ERC, the first pan-European funding body sustaining excellent frontier research in Europe, set up by the European Union in February 2007. The ERCEA was created in order to manage the Ideas Programme, part of the EU’s Seventh Research Framework Programme (FP7). The ERC was part of the first pillar - 'Excellent Science' - of Horizon 2020, the EU Programme for Research and Innovation (H2020, 2014-2020). Its mandate was renewed until 2028, for the implementation of part of Horizon Europe, pillar I ‘Excellent Science’ (Horizon Europe 2021-2027).

In order to achieve the ERC’s objectives, the ERCEA manages several frontier research grants, such as the: 'Starting Grants' targeted at early-career, emerging research leaders, 'Consolidator Grants', aimed at excellent researchers who are already independent, 'Advanced Grants' that support established top researchers, and the as well as 'Synergy Grants' for groups of two to four Principal Investigators to jointly address ambitious research projects. The grants fund projects in any field of research, with excellence as the sole selection criterion. Since the creation of the Agency, some 10,000 researchers at various stages of their careers have been supported. Under Horizon Europe, the ERCEA has a total budget of over € 16 billion.

The ERCEA is dedicated to excellence in research and in all aspects of its work, and seeks to attract professional, highly-motivated staff with the right qualifications and expertise. The working environment at ERCEA is modern, dynamic, inspiring and engaging.

Within the ERCEA, Unit D.3 "Legal Affairs and Internal Control" supports the ERCEA in establishing its annual work programme and management reports; it provides the ERCEA and the ERC Scientific Council with legal advice, monitors the implementation of the Agency-internal control framework and coordinates the Agency-public procurement procedures.

The Agency is situated in the heart of Brussels and is expected to count a total staff of 531 by the end of 2021. For more details on the ERC and ERCEA, please visit our website: http://erc.europa.eu/.
