

Members of the ERC Peer Review Panels ERC Starting Grant 2009

The list below includes the panel members in the ERC Starting Grant 2009 peer review process, identified and invited by the ERC Scientific Council. There are in total 25 panels, divided between the 3 domains as follows: 9 panels in Life Sciences (LS), 10 panels in Physical Science and Engineering (PE), and 6 panels in Social Sciences and Humanities (SH). The full list of ERC peer reviewers (panel members and remote referees) will be published after the conclusion of the current peer review process.

Panel chairs appear at the top of each panel list, followed by panel members in alphabetical order.
