ERC Synergy Grant Panel 2013

Members of the ERC Peer Review Panels

The list below includes the panel members in the ERC Synergy Grant 2013 peer review process, identified and invited by the ERC Scientific Council. The configuration of panels changed in the course of the evaluation process, in accordance with the procedures laid out in the 2013 Ideas Work Programme. At step 1, 5 domain-specific panels were formed: 2 for Physical Science and Engineering (PE), 2 for Life Sciences (LS), and one for Social Sciences and Humanities (SH). At Step 2, a new panel, composed of the 5 step 1 panel chairs, a step 2 chair and 16 additional members, evaluated a subset of the proposals and made the final decision.

Panel members are listed in alphabetical order per domain, with mention of the chairs.

Note to applicants:

This information is given for reasons of transparency. Under no circumstances should peer reviewers be contacted by applicants, potential applicants or potential host institutions.
