### **Members of the ERC Peer Review Panels**

The list below includes the panel members in the ERC Starting Grant 2017 peer review process, identified and invited by the ERC Scientific Council. There are in total 25 panels, divided between the three domains as follows: 9 panels in Life Sciences (LS), 10 panels in Physical Sciences and Engineering (PE), and 6 panels in Social Sciences and Humanities (SH).

Panel chairs appear at the top of each panel list, followed by panel members in alphabetical order.

#### Note to applicants:

This information is given for reasons of transparency. Under no circumstances should peer reviewers be contacted by applicants, potential applicants or potential host institutions.
