For candidates who are not nationals of the European Union (EU) or the European Free Trade Association (EFTA) Member States, personal data is also collected and processed for the security clearance, which is a prerequisite for secondment.

The Controller may envisage anonymous statistical analyses with the purpose of improving the quality of the processes and the management of human resources.

Further information concerning other types of processing of personal data in connection with the selection or secondment (e.g., reimbursement of travel expenses) may be found here: https://erc.europa.eu/about-erc/careers.

1c) From where the data is collected
For the selection phase, the electronic means for submitting data is a functional mailbox (FMB) managed by the ERCEA (ERC-SELECTION@ec.europa.eu) through which the Permanent Representations and Missions channel the applications.
For the secondment, the national expert and his/her employer submit personal data to the FMB: ERC-RECRUITMENT@ec.europa.eu.

2. Who has access to your information, how is it secured and to whom is it disclosed?

The HR Unit is responsible for the management of any documents produced, circulated and/or received, ensuring the appropriate treatment of all documents.

E-mails including personal data (e.g., applications of candidates, communications, etc.) should be sent via encrypted e-mail (SECEM). The official register of the Agency is ARES/NomCom and all files therein are processed using the restricted marking. Access to files saved in the Shared Drive, the FMBs ERC-SELECT@ec.europa.eu or ERC-RECRUITMENT@ec.europa.eu, of which a physical copy is kept, is limited to authorised personnel.

The persons with access to your personal data, on a need-to-know basis, are:

- Authorised personnel dealing with staff selection and secondment of SNEs;
- Services of the European Commission: the PMO (e.g., for allowances) and the OIB (e.g., for the provision of particular office equipment);
- The AHCC (Authority Empowered to Conclude Contracts of Employment), i.e., the ERCEA’s Director;
- Contact points in the Permanent Representations, the EFTA Secretariat or the Mission of Turkey who can transmit personal data to the two FMBs of the ERCEA during the selection and secondment phases;
- The Security Directorate of the Directorate General Human Resources and Security, to the extent that they need to arrange the clearance required for national experts who are coming from countries outside the EU or the EFTA.

When the data subject is a national of a third country, his/her personal data may be transferred to the contact point in that third country during the selection and secondment phases.

In these cases, the transfer only happens if all the necessary safeguard measures are in place, in compliance with the data protection legal framework.

In addition, certain administrative details may be disclosed, in compliance with the relevant current legislation and established case law, and on a temporary basis to legislative or supervisory bodies of the ERCEA, as well as auditing bodies or courts.

3. What are your rights?

You have the right to access the personal data the ERCEA holds about you and to request to have them rectified where necessary. In certain cases, you also have the right to have your data erased, the right to object to processing or the right to data portability.

To exercise any of these rights, you should apply to the Head of Unit D.2 – “Human Resources”, who is responsible for such processing (i.e. the Controller), by sending an e-mail specifying your request to the mailbox indicated in point 5. Please note that in some cases restrictions under the terms and conditions of Article 25 of the Data Protection Regulation may apply.

With regard to the right of rectification, please be informed that in the case of data identifying your person, your right to update, rectify or erase those data can be exercised at any time during the selection or secondment process or during the period of secondment. On the contrary, data related to the eligibility criteria can be completed and corrected until the deadline for submission but cannot be rectified thereafter. Withdrawal of applications, on the other hand, is possible at any time.
4. How long do we keep your data?

Currently, the ERCEA applies by analogy the principles and the retention periods indicated in the Common Commission-Level Retention List SEC(2019)900/2 of 19 April 2019 (CRL).

- The personal data of candidates that are not retained on a Reserve List (ineligible, not shortlisted, unsuccessful) are kept for a maximum of five years after the conclusion of the selection process.

- The personal data of non-seconded candidates that have been included on a Reserve List are kept for a maximum of two years from the date of the expiration of the Reserve List.

- In the event that an application is withdrawn, the ERCEA’s HR Unit keeps personal data until the closure of the selection process and then erases the respective data.

- Personal files of Seconded National Experts are retained for eight years after the termination of all rights of the person concerned and of any dependants, and for at least 100 years after the date of secondment of the person concerned.

- HR certificates are stored in the shared drive for a maximum period of three months.

The ERCEA may envisage anonymous statistical analyses with the purpose to improve the quality of the processes and the management of human resources. However, retention periods mentioned above will not be increased.
