Nobel laureates met President Jean-Claude Juncker and Commissioners

13 May 2015

Nobel and Wolf Prize laureates - Serge Haroche, Jules Hoffmann, László Lovász, Edvard Moser, Sir Paul Nurse and Jean Tirole - today met European Commission President Jean-Claude Juncker, Vice-President Jyrki Katainen and Research, Science and Innovation Commissioner Carlos Moedas. Three of the Nobel Prize winners - Professors Haroche, Tirole and Moser - and the Wolf Prize winner, Professor Lovász, are ERC grantees.

The exchange of views focused on how to ensure that Europe remains a centre of excellence for science and that EU policy benefits from the best scientific advice.µ
